### ANALYSIS: (Attach a separate page if necessary)

Section two adds new language that makes it a class A misdemeanor if a person fails to report a sex offender or child kidnapper to the Department of Public Safety (DPS). Failure to notify the department about the location of that individual is also treated as a crime.

Section 13 requires DPS to provide information on the Sex Offender Registration Central Registry website as to how members of the public using the website may access or compile information relating to sex offenders or child kidnappers for a particular geographic area on a map. This information may direct the public to mapping programs available on the Internet and to websites where information contained in the registry has already been converted to a map or geographic format.

This legislation will not have a fiscal impact to the department.
